Occasional Papers of The Museum are issued under the auspices of the Dean of the Graduate School and Director of Academic Publications, and in cooperation with the International Center for Arid and Semi-Arid Land Studies. These contributions, usually shorter than 64 printed pages, are numbered separately and published on an irregular basis (approximately 10 titles annually) by Texas Tech Press. Title and contents pages are provided for sets of 20 numbers to facilitate library binding.

The preferred abbreviation for citing The Museum's Occasional Papers is *Occas. Papers Mus.*, Texas Tech Univ.

Annual subscriptions to the Occasional Papers series are domestic, \$16.00, and foreign, \$19.00. Separate numbers are available at \$2.00 each. Payment is accepted only in U.S. currency check, money order, or bank draft drawn on a U.S. bank. Prices include normal handling and postage when mailed to destinations within the United States (for foreign postage, add \$2.00 per title or 200 pages of publications requested). Orders from individuals must be accompanied by remittance, and Texas residents must pay a 5 per cent sales tax on total purchase price.
